

Department of Family and Community Medicine

Departmental Electronic Recording Communications Policy

- Audio and/or video recording of communications, meetings, and conversations in the department is only permissible upon disclosure and obtaining permission from all participants.
- Violation of this departmental policy may result in disciplinary action, up to and including dismissal.
- This departmental policy does not apply to educational conferences unless a part of the department's peer review activities.
- Additional exceptions may be designated by the Department Chair.

Presented to DFCM Faculty: 09/07/2011

Majority consensus and approval: 09/07/2011

Effective Date: 09/07/2011
